

FANTASTIC OPPORTUNITY WITH THIS MOST EXCITING NEWS!

We have been asked to provide 80 dancers to dance at the opening ceremony of THE RUGBY LEAGUE WORLD CUP, at THE MILLENNIUM STADIUM in Cardiff on 26th OCTOBER 2013! Only 1000 young people, from across the country have been asked to take part, and the audience will be 70,000 people! The event will be televised around the world!

Through superb recommendations about our school, and our past theatrical experience, we have been chosen to take part as dancers, at this amazing event!

We need to put forward 80 dancers, aged 10-20 years old. We can use our students from school years 5 to year 13, plus a few past pupils who are returning in order to take part.

The costs to you are £110 per person, **plus** coach travel to and from the venue on the day. £50 deposit payable now, and a further £60 payable in June 2013.

This unbelievably, low cost includes:

- A 5 day Summer School Week of rehearsals at Meopham Leisure Centre running from 26th-30th August 2013 with visiting, guest choreographers
- A ticket to watch either the England V Australia match or Wales V France match (in which we will be performing before one of those matches.)
- Costumes for the dance (all the students are asked to provide are their own basic white or black leggings/trousers and white or black plimsolls. The colour to be confirmed at a later stage.)
- The chance to meet one of the International players, who we hope will visit Meopham Leisure Centre

It does not include coach travel to the venue.

As this is such an amazing opportunity, the August week of dancing will replace our usual Summer School of 2013. Please be advised that it will not be a variety of different Summer School workshops during the week like our usual Summer School, but the complete teaching, learning, rehearsal and production of the ten minute dance piece for our performance at The Rugby World Cup.
